

Sudipto Laskar

MERN STACK DEVELOPER

PERSONAL PROFILE

I am a creative and dedicated MERN stack developer with three years of experience. My background in business studies complements my technical skills, allowing me to understand both the market and user needs. Web development is my passion, and I constantly strive to expand my knowledge and stay up-to-date with the latest industry trends. I am skilled in MongoDB, Express.js, React.js, and Node.js, and have a strong proficiency in HTML, CSS, and JavaScript. I approach challenges with innovative thinking and enjoy collaborating with teams to deliver high-quality solutions. I am a results-oriented professional who values teamwork and continuous improvement.
